

2018-19 MPBA FALL AND WINTER TEAMS

Maximum Potential Basketball Academy is a skills and athletic development program. We provide training, workout programs, teams, leagues, and tournaments for players to best develop their game. Our goal is to enhance the enjoyment and efficiency of the game for girls and boys in Southeast Michigan. We also want to provide a reasonable cost for playing and participating in youth sports and the development of each players game. Our coaches will be devoted to teaching the skills and the game for players to know where they are and what they can do to get better.
